

MAYSVILLE, KENTUCKY, SATURDAY, MAY 2, 1914.

ONE COPY—ONE CENT.

The Happy Soldier.
"A soldier of the Legion
Lay dying in Algiers,"
While a thousand weeping women
Watched him through a flood of tears.
But he murmured, as his life-blood
Ebb'd at each convulsive throbb:
"Gee! I'm glad I left the army
For this moving-picture job!"

**LET UNCLE SAM
GIVE YOU THE FACTS**

CAVALRY IN CHARGE AT COLO- RADO MINES.

Washington, May 1.—Orders to quadruple the force of federal cavalry in the Colorado coal strike zone went from the War Department late today. The entire eleventh regiment from Fort Oglethorpe, Ga., and two troops from the twelfth regiment from Fort Robinson, Neb., were ordered to proceed to the scene at once, Colonel James Lockett, of the seventh, to take supreme command of the situation.

Government reports show the steady output of coal during the last few years has made the dealers push for wider markets. We are going to get more trade—your trade—by giving you a greater value for your money. You will never get out of debt unless you buy wisely.

Mrs. M. H. Davis of Maysville entertained Friday with a beautiful luncheon. The attractive home with its wealth of old mahogany was a bower of white lilacs, lilies of the valley, violets and apple blossoms, which blanketed the mantles and tables, and filled the rooms with spring fragrance. The three-course luncheon was as beautiful and abundant as it was delicious. Mrs. Howard received the first, Mrs. Foe the ten hand, Mrs. Parker the general, and Miss Dobyns the consolation prize, and all of these gifts were lovely and well chosen. Mrs. Davis was assisted in receiving by Mrs. Duke, Mrs. Shann, Mrs. Hopper and the Misses Ellen and Agnes Shanklin. Over fifty ladies enjoyed Mrs. Davis' most gracious and charming hospitality, which made "May Day" a memorable occasion.

START THE BOY RIGHT.

Many a father has made the mistake the prodigal father made by giving the boy too much cash and too little attention. Some Maysville dads would do well to give their sons a better idea of the church. Money is not the whole thing in this world as some suppose. Christian character is of more lasting value. Tomorrow is a Go-to-Church and Go-to-Bible-School day. Therefore, fathers, take your sons to some Sunday School service. Let them know you think enough of this service to go to it yourselves. If you, father, want to have a good son, make a companion of your boy. Let him know you can be religious without being cranky or sour.

The church and Sunday School have kept many a boy from being a prodigal. Many a man knows this by experience. Therefore, the Bible School of today, has men in it who are there both for their own good and the good example they can thus give their own boy.

Invocation—Rev. J. M. Lital. The Battle Hymn of the Republic—Audience, led by High School Quartette. The Declaration of Independence—1914.

Audience, led by Quartette. Address—Dr. John Barbour. Suffrage Hymn—Tune, "America." Address—Hon. Allen D. Cole. Resolutions read and offered for adoption.

Old Kentucky Home. Miss Hanselman, director of music in the Public Schools, will have charge of the music, the voices will be supported by piano and violin accompaniment. The end aimed at by all right-minded people is the greatest good and highest development of the human race. The advocates of woman suffrage believe that the enfranchisement of women is a means to this desired end.

If these speakers thought woman suffrage to be what its opponents think it to be, they would be against it; if the right-minded opponents thought suffrage to be what these speakers think it to be, they would be in favor of it. Come let us reason together and see if together in the light of nature, reason and experience we may discover the truth. Courthouse today at 2 p. m.

WHY I GO TO CHURCH.

I attend church because the church is the divinely-appointed place of worship of God, and as an expression of gratitude to the "giver of every good and perfect gift."

I attend and support the church because it permits me to be a part of the great institution that has been the forerunner of all civilization and good government. It seems to me that it would be my duty to attend and support the church even though I were not a professed christian, for am I not enjoying the blessings of christian civilization?

Again I attend church because here I am associated with the very best people that live, and because the church stands for morality, education, refinement, and the highest type in every respect of manhood and womanhood.
